Kodak, and product names printed thus -
KODACHROME, **INSTAMATIC**, **'Plus-X'** -
 are trade marks
 All goods and services supplied by Kodak
 Limited are supplied subject to current
 "General Terms of Business in Europe
 for Kodak Products and Services", a copy
 of which will be sent on request.

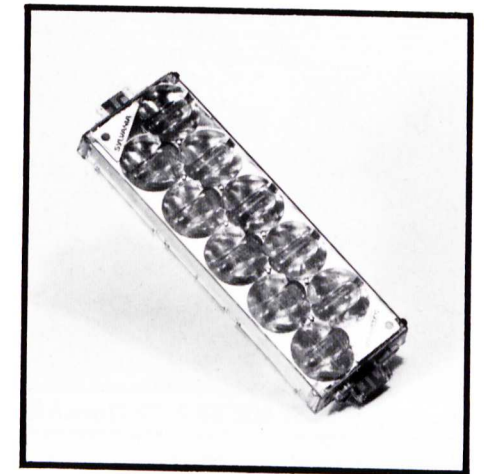

Please note that products required for use
 with premium promotions (i.e. schemes
 in which Kodak products are offered as an
 incentive to buy another maker's goods
 or services) are supplied subject to
 special "Terms of Business for
 Premium Users". Further information and
 a copy of these special Terms of Business
 can be obtained from Catalogue and
 Premium Sales Operations, Kodak
 Limited.

Because of our constant endeavour to
 improve quality and design,
 modifications may be made to products
 from time to time. Details of stock
 availability and specifications given in
 this catalogue are subject to alteration
 without notice.

'Kodak' pocket A-1 Camera and accessories

This is the lowest priced camera in the 'Kodak' 110 camera range. It is compact and easy to use, just slip in a film cartridge, point and shoot.

'Kodak' pocket A-1 Camera Outfit

Cat. No. 345 4766

- Chunky design means it is easy to hold.
- Small size makes it pocketable.
- Pictures in bright conditions and also with flash.
- Flash socket for a vertical flash array (e.g. Sylvania Super 10 Flipflash).

The outfit consists of:

'Kodak' pocket A-1 Camera.
 'Kodak' Ever-Ready Camera Case, Model 1.
 Wrist-strap.
 One 'KODACOLOR' II film - 12 exposures.
 Instruction book.

Camera features

- Fixed-focus 25mm, f/11 lens. Pictures can be taken in daylight from 1.2 metres (4 feet) to infinity.
- Single-speed shutter - nominal 1/50th of a second.
- Pictures can be taken with a flash array from 1.2 to 3.5 metres (4 to 11.5 feet) when using film with speeds from ISO/ASA 64 to 125.
- Camera is covered by full Kodak 3 year warranty.

Approximate camera dimensions

width 40mm (1.6in)
 length 102mm (4in)
 height 54mm (2.1in)

Accessories

Sylvania Super 10 Flipflash
 'Kodak' Ever-Ready Camera Case, Model 1

Accessory

Sylvania Super 10 Flipflash

This is an easy-to-use flash array for use with many 'Kodak' Cameras. It is a vertical flash array consisting of ten flashbulbs which are fired by a piezo-electric impulse. Behind each bulb is a coloured dot which disappears as the bulb is used.

Films in easy-loading 110 size cartridges

for	use
colour prints size 9 x 11.5cm (3½ x 4½in)	KODACOLOR II Film for general use in 12 or 20 exposure cartridges
colour slides size 13 x 17mm in 30 x 30mm plastic mounts† or in 50 x 50mm (2 x 2inch) card mounts*	KODACHROME 64 Film or 'Kodak' EKTACHROME 64 Film (Daylight) in 20 exposure cartridges
black-and-white prints	'Kodak' VERICHROME Pan Film in 12 exposure cartridges

†Returned by Kodak in a plastic slide box which can be used either as a viewer, or as a magazine in a 'Kodak' pocket RETINAMAT Projector. For projection in standard 35mm projectors a special adapter mount, the 'Kodak' 2 x 2 Adapter for 110 Slides, is available.

*Slides from KODACHROME Film only—availability to be announced.

3 YEAR WARRANTY

This KODAK camera carries a three year warranty against manufacturing defects
