**Kodak Junior, Series III**  
(No. 1) — Advanced style, pronounced picture-making ability, popular picture size, admirable value — if these are what you specify select a Series III. Features include sturdy self-erecting action front, reflecting and direct viewfinders, one-finger release, 3-speed Kodex shutter with body release, sharp-cutting f/6.3 Kodak Anastigmat lens. Available in Six-20 model only.

**Kodak Seniors, Six-20 & Six-16**  
(No. 2) — Feature body shutter release; pressure on a button opens the camera; one-finger bed release permits quick closing; knurled knob speeds up film winding; folding optical eye-level finder; case and back are special quality aluminium; genuine leather, set off by chromium, etc., etc. Kodex shutter 3 speeds to 1/100, Kodamatic 5 speeds to 1/200, delayed action.  
Six-20 Kodak Senior, f/6.3 lens. Kodak shutter.  
Six-20 Kodak Senior, f/4.5 lens. Kodamatic shutter.  
Six-16 Kodak Senior, f/6.3 lens. Kodex shutter.  
Six-16 Kodak Senior, f/4.5 lens. Kodamatic shutter.

**Kodak Specials, Six-20 & Six-16**  
(No. 3) — Present these admirable features: new folding optical eye-level finder, body shutter-release, affording the utmost in operating efficiency, pressure on a button opens the camera, one-finger bed release permits quick closing, knurled knob speeds up film winding, case and back are special quality aluminium, covering of genuine pin-seal grain leather, set off by chromium and black lacquer, Kodak Anastigmat special f/4.5 lenses, of supreme quality, newly computed, precision mounted. Kodamatic shutter, speeds to 1/200 sec.  
Six-20 f/4.5 lens. Six-16, f/4.5 lens.

**KODAK RETINA II** (Continued from overleaf.)  
(No. 8) — Has built-in coupled rangefinder interlocked with film-winding mechanism, dull chromium finish, high-speed lens ideal for "candid" work, high-speed Compur Rapid shutter, automatic film-centring and counting. Folds flat — lens is protected. With 1/2 lens.

**RECOMARS 18 & 33**  
(No. 9) — The answer to the modern trend towards varied and serious photography. Details on request.
