# Kodak Graphic Arts Catalogue

## December 1965

This catalogue provides, in easy-reference form, information about the salient features, sizes, prices and stock availability of 'Kodak' Graphic Arts materials and equipment.

Where applicable, discounts are indicated by the following codes: (G) 30%; (H) 33 $\frac{1}{3}$ %. The net price, after deduction of discount, is given separately. Where a price is shown as excluding tax, purchase tax at the standard rate is chargeable unless a purchase tax exemption certificate is held.

Prices and details of stock availability are correct at the time of going to press, but are subject to alteration without notice.
