KODAK DATA BOOKS AND TECHNICAL PAMPHLETS

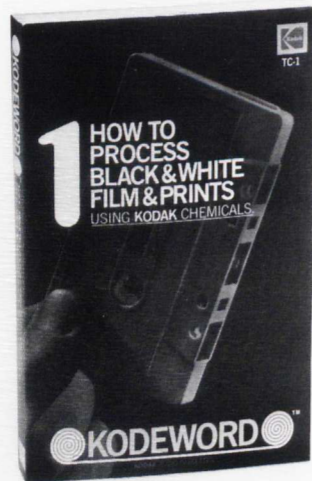

The Kodak library of publications contains a wealth of practical information useful to both professional and amateur photographers, as well as to those who use photography in a particular branch of science or industry.

You can obtain these publications through your photo dealer. If he cannot supply them, you can order them directly from Kodak, using the order form at the back of the *Index to Kodak Information*, Publication No. L-5. Ask your photo dealer for a copy of the *Index*, or write to Eastman Kodak Company, Department 412-L, 343 State Street, Rochester, New York 14650.

Publication No.	Title
G-1	KODAK B/W Photographic Papers
R-20	KODAK Darkroom DATAGUIDE
M-1	Copying
K-13	Photolab Design
F-5	KODAK Professional Black-and-White Films
TC-1	How to Process Black-and-White Film and Prints Using KODAK Chemicals

Additional technical pamphlets dealing with more specialized subject matter are listed below. You can obtain them from the same sources.

Publication No.	Title
J-28	Disposal of Photographic-Processing Effluents and Solutions
Z-126	Process Monitoring of KODAK Black-and-White Films
J-6	Small Batch Reversal Processing of KODAK B/W Films
J-10	Recovering Silver from Photographic Materials
J-19	B/W Processing for Permanence
J-52	Disposal of Photographic Processing Solutions for the Small User
Q-9	Processing Techniques, Chemicals, and Formulas for the Graphic Arts
P-229	Practical Processing in Black-and-White Photography
D-9	Small-Batch Processing of KODAK PLUS-X, TRI-X, and 4-X Reversal Motion Picture Films
H-28	How to Use KODAK Reversal Liquid Chemicals
H-34	Formulas for Processing Black-and-White Motion Picture Films
F-14	Contrast Index—A Criterion of Development

KODEWORD audio tape cassettes such as TC-1 above, can be played on a cassette player right in the darkroom, giving you step-by-step instructions for processing films and papers.

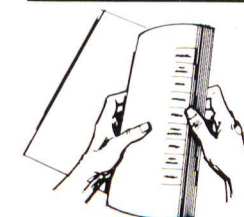

SEVENTH EDITION 1973
 Updated 1977
 Library of Congress Catalog Card Number 73-82620
 Standard Book Number 0-87985-069-8
 © Eastman Kodak Company, 1977

Punched to fit the
Binder for Kodak Technical Information
 (W-4), sold by photo dealers.

PROCESSING SECTION—Theory and Methods

Page	Section
2	SAFE HANDLING OF PHOTOGRAPHIC CHEMICALS
3	ABOUT THIS BOOK
5	Pollution Abatement
5	Units of Measurement
5	THE PHOTOGRAPHIC PROCESS
6	PROCESSING PRINCIPLES
6	Composition of the Developer Solution
6	Factors Affecting Degree of Development
6	Time of Development
6	Temperature of Developer Solution
7	Agitation of the Developer
7	Activity of the Developer Solution
7	Replenishers
7	Replenishment Procedures
