## KODAK DEALER CATALOGUE 1966

THIS catalogue is designed to provide the salient selling features, sizes, and prices of amateur equipment and services marketed by Kodak (Australasia) Pty. Ltd. It is produced to assist you in answering enquiries and placing orders.

All items listed are normally stocked although a few specialized products are available on overseas indent only. All prices quoted are retail, they are shown in both currencies (except on pages IV, V, VI and VII, at the end of the catalogue), and they include sales tax. Prices and details of stock availability are correct at the time of going to press (15th November, 1965), but are subject to alteration without notice.

It is intended that a revised edition of the Kodak Dealer Catalogue will be issued each year. Meanwhile, the quarterly issue of "Kodak Dealer News" will advise you of new equipment and services which are being introduced.
