THE KODAK DEALER CATALOGUE MARCH 1960

This catalogue is designed to give salient selling points. Full stock and price information is given, which should help you both in answering inquiries and in placing orders.

Items shown are stocked unless otherwise stated. Retail prices, including purchase tax, where applicable, are given first.

Prices without purchase tax apply in the Channel Isles.

Prices and details of stock availability are correct at the time of going to press, but are subject to alteration without notice. **The Kodak Trade Circular** is sent to all dealers every two months and should be used to keep this catalogue up to date.
