Here's what to do.
1. Bring in your slides or movies in the order you want them sequenced. Note: if they require cleaning or repair, an additional fee will be charged.
2. Either bring your own videotape or purchase one from the Kodak shop (see following specials) for us to transfer.
3. Take tape home and watch it on your TV anytime you wish.

Transfer your slides and movies onto a VHS or Beta video tape so you can watch them on TV. Compare Kodak's unique price of just \$13.50 for a 10 minute transfer, to the regular minimum cost of \$40.00 charged elsewhere. A 10 min videotape takes 60 slides, or approx 3 reels of standard/Super 8 movie, or 2 reels of 16mm film. Each slide is exposed for 10 seconds, then professionally dissolved to the next slide.
